

# GOSHEN BARK PARK

🐾 Together we can bring Goshen its own Bark Park

## Please Help Support the Creation of Our Goshen Bark Park

Possible Location of our Bark Park!

The locations below are identified by the City of Goshen as ideal potential sites for our future Bark Park.

- 🐾 Abshire Park
- 🐾 Burdick Park
- 🐾 Vacant land near Oakridge Cemetery
- 🐾 Waterford Park

Our goal is to have a Bark Park (dog park) within our Goshen city limits built, so that our furry family members have a safe off-leash place of their own. Our Bark Park is currently being organized by five Goshen resident-volunteers, the Bark Park Committee, with the City of Goshen's enthusiastic support. Currently the volunteers are developing a master plan that will be presented to city officials, with hopes of allowing park land to be used for our Bark Park, for all dogs.

If you or your organization would like to make a tax deductible donation to the construction of Goshen Bark Park, please see the "How to Donate" information below. Also, if you have any questions or concerns, please visit our Goshen Bark Park website at [goshenbarkpark.com](http://goshenbarkpark.com) or email [bark@goshenbarkpark.com](mailto:bark@goshenbarkpark.com). Thanks for taking the time to look into Goshen Bark Park, and we hope you will help by contributing toward making it a reality!

**ALL DONATIONS ARE TAX DEDUCTIBLE!**
